School Scout - Station 2 Do you recognize relative clauses?

Task 1: *The Princess and the Pea*

Once upon a time there was a prince who wanted to marry a princess, but he only wanted a real princess. One evening, a storm which was really terrible and brought a lot of rain came on! Suddenly a knocking was heard. The prince whose father opened the door was very surprised to see a princess in front of the gate. But, what did she look like! She was all wet! The queen who was very clever went into the bedroom. She took a pea which she put underneath 20 mattresses. Then she let the princess sleep on top! In the morning the princess who was asked how she had slept said: Oh, very badly! I was lying on something hard, so that I am black and blue all over my body.” Now they knew that she was a real princess because only a real princess would have felt a pea which was hidden under twenty mattresses. So the prince took her for his wife and they all lived happily ever after!
